

March 12, 2020

Northern California Coaches and parents,

This morning I sent out a letter detailing changes to our state championships in order to avoid the risk of spreading the COVID19 virus. Since that announcement I have received more information pertaining to the recommendations for our State Championships. Our State Governor issued an announcement recommending the cancelation of all gatherings over 250 persons. Southern California has postponed their state Championships.

We will be postponing the State Championship meet for the safety of our athletes and families.

Once we have a new date for our State Championships, we will let you all know.

I am waiting to hear an official decision from our Regional Chairman Adam Lomax in regard to regional Championships, and I will pass that along as soon as the decision is announced.

The safety of our gymnasts is, and always will be, our top priority.

John Lucas

USAG Interim Nor Cal State Chair
